

ATTENTION: TIMEKEEPERS

SUBJECT: GAMESHEETS

As Minor Officials, you all are an important part of every game. Clarity and brevity are important, we ask you to please print clearly and fill out the game sheets by using the following guidelines:

1. Game sheets must be completed in blue ballpoint pen. Press firm to ensure that all copies are clearly legible. Stickers are acceptable as long as they are on ALL copies of the gamesheet.
2. Please make sure the date, teams playing, **game number**, etc. is filled in.
3. Have teams PRINT both first and last names.
4. Captain and Alternate Captains should be designated.
5. All Affiliate players must be marked by the designation AP.
6. Times listed should be clock time, not the amount of time played.
7. **Please be sure to fill in the saves (shots stopped), minutes played and goals against for each goaltender. Please be aware of goaltender changes.**
8. Please make sure that all penalties are filled in properly with the correct sweater number (#) of the player receiving, player serving. Additional automatic penalties such as a 10 minute Misconduct or Game Misconduct **they must be placed on a separate line.**
9. Please see the attached list of abbreviations for penalties.

Please be sure that the game sheet is properly filled out and signed by the Game Officials before it is distributed to the teams.

Thank you in advance for your help in the making the league statistics accurate.
